

APPLICATION FORM

For action group status with OPIRG-Ottawa

If your group would like to be considered for action group status at OPIRG-Ottawa, please complete the form below and submit it to admin@opirg-gripo.ca and to board@opirg-gripo.ca.

OPIRG-Ottawa would like to thank all campus groups for their applications and interest. Unfortunately, we are only able to support a limited number of action groups. As such, we have two types of action groups: those which receive funding in addition to support in other capacities, and those which do not receive Action Group funding but do receive other kinds of support. Groups which are not awarded action group status or which don't receive an action group budget may submit proposals to OPIRG for funding for specific activities. Please read the Action Groups Policy attached. Only groups which are based on our campus and whose activities fall within OPIRG's mandate are eligible to become OPIRG action groups.
